

Why FAUSA?

Whether you have been an expat for one year or twenty, FAUSA has the resources to help your return to the USA be a smoother one. Have you heard the saying - that becoming an expat is easier than repatriation? Yes it is true that you return to the USA more cultured, more worldly and more educated. You see the world through different eyes than your friends and family and other Americans. You often feel disconnected and find it to be a difficult adjustment to integrate back amongst your friends and family.

Most companies concentrate on your move overseas and do nothing for the return home. FAUSA can be that bridge to help you reconnect and make your transition back to the hustle and bustle of America easier.

What are you waiting for? It's time to Join FAUSA!

Returning Home With A Global View

FAUSA (FAWCO Alumnae USA)

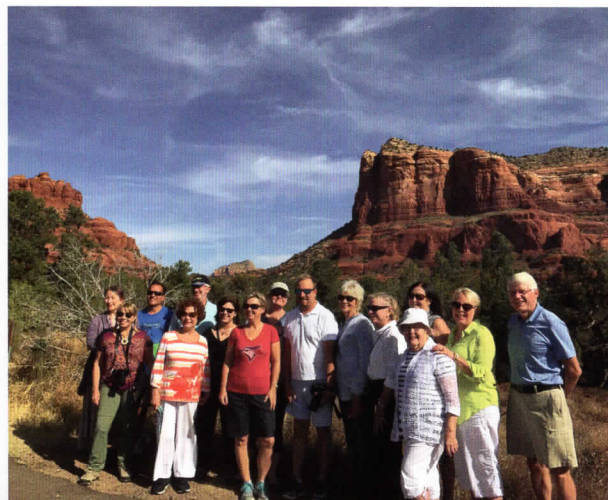

is an association of individuals who share the common experience of having lived abroad and who have returned to North America, many of whom were members of clubs that belonged to the Federation of American Women's Clubs Overseas (FAWCO). The website is designed to assist with the repatriation experience of its members by serving as a resource for information, facilitating international ties, and providing a local social network.

Getaways & Annual Meetings

Every autumn you will have the opportunity to gather with other former expats at the annual FAUSA Getaway and annual meeting. This event is held in various places around the USA such as: Napa; Washington DC; Durango, CO; Cincinnati, OH; and Boston, MA, etc.

The Getaway gives FAUSA members and guests the opportunity to explore North America, learn about FAUSA's activities, raise money for important causes, reunite with FAWCO and FAUSA buddies, and make new friends. Although the Getaways include a business meeting where FAUSA matters are discussed and voted upon, they are also filled with fun and interesting social activities, workshops, speakers, tours and dining opportunities varied enough to meet everyone's interests and tastes.

Local Activities

FAUSA has members all over the USA and Canada. Members in various cities hold monthly meetings, luncheons, outings and some even have book clubs. The most active clubs are in Detroit, New England, Washington DC, Montana, Houston and Cincinnati. Members are organized into the following regions:
