

WHY FAUSA

Whether you've been an expat for one year or twenty, FAUSA offers the resources to ease your return to the USA. Returning home after living abroad can be challenging, as you often see the world differently than your friends and family. Many companies focus on the overseas move but overlook the return journey. FAUSA can bridge that gap, helping you reintegrate into the bustling American life.

Don't wait any longer; it's time to join FAUSA!

GETAWAYS & ANNUAL MEETING

Get ready to reunite with fellow expats every autumn at the FAUSA Getaway and Annual Meeting! This yearly gathering takes place in different parts of North America and offers a chance to explore the continent, catch up on FAUSA news, and bond with FAWCO and FAUSA friends. Not only do you get to meet new faces, but you'll also take part in various activities such as workshops, talks, tours, and dining experiences that cater to everyone's interests and taste buds. Plus, the event goes beyond business talk with FAUSA matters - charitable causes and heaps of fun are also on the menu. Let's pack our bags!
